

PROREIT COMPLETES UNDERWRITTEN EQUITY OFFERING

November 26, 2013 - Montréal, Québec - PRO Real Estate Investment Trust ("**PROREIT**" or the "**REIT**") (TSXV: PRV.UN) announced today that it has completed its previously announced public offering of 4.6 million trust units (the "**Units**") at a price of \$2.40 per unit (the "**Offering Price**") for total gross proceeds of approximately \$11.1 million (the "**Offering**"). As previously announced, the REIT also intends to issue an additional \$5.8 million of equity to certain property vendors, for a total of \$16.9 million of new equity (or up to \$18.6 million if an over-allotment option is exercised as more fully described below).

Closing of the Offering

The Offering was completed by a syndicate of underwriters led by Canaccord Genuity Corp. and including TD Securities Inc., Scotia Capital Inc., National Bank Financial Inc., Desjardins Securities Inc., GMP Securities L.P., and Dundee Securities Ltd. (collectively, the "**Underwriters**").

The estimated net proceeds to the REIT from the Offering, after deducting the Underwriters' fee of approximately \$0.6 million, but before deducting the expenses of the Offering, were \$10.5 million. The REIT has also granted the Underwriters an over-allotment option exercisable, in whole or in part, to purchase up to an additional 693,362 Units at a price of \$2.40 per unit (for additional aggregate gross proceeds to the REIT of \$1.7 million if the over-allotment option is exercised in full) for a period of 30 days from the closing date of the Offering, to cover over-allotments, if any, and for market stabilization purposes.

The net proceeds from the Offering are expected to be used by the REIT, along with the issuance of Class B limited partnership units of PRO REIT Limited Partnership to certain property vendors ("**Class B LP Units**"), cash on hand, an assumed mortgage, a new mortgage, and a revolving credit facility to be established, to fund the purchase of four commercial properties (collectively, the "**Acquisitions**" and individually, an "**Acquisition**") from four separate and unrelated vendors.

Acquisitions and Issuance of Equity to Certain Vendors

As previously announced, vendors of certain of the properties that PROREIT intends to acquire have agreed to accept approximately \$5.8 million of Class B LP Units as partial consideration for the sale of such properties. The Class B LP Units are economically equivalent to and exchangeable for Units on a one-for-one basis, and will be accompanied by special voting units that provide their holder with equivalent voting rights to holders of Units of the REIT. The Class B LP Units will be issued upon the closing of the acquisition of the applicable properties at the Offering Price. The Class B LP Units will be issued on a private placement basis. The vendors that will receive Class B LP Units have agreed that such units will be subject to a hold period of

120 to 180 days following the closing of the relevant Acquisitions, and are all dealing at arm's length with the REIT.

Upon closing of the Acquisitions, the REIT's initial portfolio will be comprised of 8 commercial properties totalling 372,878 square feet of gross leasable area. The initial portfolio of the REIT will be diversified by property type and geography across Eastern Canada, including the Greater Montréal Area and certain urban centres of Atlantic Canada.

The aggregate purchase price (excluding closing costs) for the Acquisitions is anticipated to be approximately \$39.0 million and the Acquisitions are subject to customary closing conditions. Two of the Acquisitions are scheduled to close on or about December 2, 2013 and the other two Acquisitions are scheduled to close on or about December 10, 2013.

For more information on the Acquisitions, please refer to the final short form prospectus of the REIT dated November 19, 2013, available under the REIT's profile on SEDAR at www.sedar.com.
