PRO REAL ESTATE INVESTMENT TRUST

INFORMATION CIRCULAR

GENERAL INFORMATION

Solicitation of Proxies

This information circular (the “Circular”) is furnished in connection with the solicitation of proxies by the trustees (each a “Trustee” and collectively, the “Trustees” or “Board of Trustees”) and management of PRO Real Estate Investment Trust (the “REIT”) for use at the Annual and Special Meeting (the “Meeting”) of the holders (the “Trust Unitholders”) of trust units (the “Trust Units”) of the REIT and holders (the “Special Voting Unitholders”) of special voting units (the “Special Voting Units”) of the REIT (Trust Units and Special Voting Units are collectively referred to as the “Units”, and Trust Unitholders and Special Voting Unitholders are collectively referred to as the “Unitholders”) to be held in the Autumn Room at the Hotel Omni Mont-Royal, 1050 Sherbrooke Street West, Montreal, Québec H3A 2R6, at 10:00 a.m. (Montreal time) on Tuesday, June 7, 2016 and at any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Meeting (the “Notice”). Any capitalized terms used in this Circular and not otherwise defined in this Circular shall have the meanings given to such terms in the REIT’s amended and restated declaration of trust dated March 11, 2013 (as amended from time to time, the “Declaration of Trust”).

The Board of Trustees has fixed April 29, 2016 as the record date for the Meeting (the “Record Date”). Only Unitholders of record on the books of the REIT as at that date are entitled to receive notice of and vote at the Meeting. Unitholders of record will be entitled to vote the Units held by them as at the Record Date.

If you are a registered Unitholder and are unable to attend the Meeting or any adjournment or postponement thereof in person, please complete, sign and mail the enclosed proxy and voting instruction form to, or deposit it with, our transfer agent, TMX Equity Transfer Services, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1 not later than June 3, 2016 at 10:00 a.m. and, if the Meeting is adjourned or postponed, not later than 24 hours prior to the commencement of such adjournment or postponement.

It is anticipated that this Circular will be mailed to Unitholders on or about May 16, 2016. Unless otherwise stated, the information contained in this Circular is given as at the Record Date. In this Circular, references to the “REIT” are to be read as references to the REIT and/or its subsidiaries, as the context requires.

Appointment of Proxies

A Unitholder may appoint a proxyholder to attend the Meeting and vote on their behalf. The persons named in the enclosed form of proxy or voting instruction form (the “Named Proxyholders”) are officers of the REIT or its subsidiaries. **A Unitholder desiring to appoint some person other than a Named Proxyholder (who need not be a Unitholder) to represent him or her at the Meeting may do so by inserting such person’s name in the blank space provided in the form of proxy and striking out the names of the persons specified or by completing another proper form of proxy.**

Proxies must be received by the REIT’s transfer agent, TMX Equity Transfer Services, at the address on the accompanying Notice of Annual and Special Meeting of Unitholders, not later than June 3, 2016 at 10:00 a.m. and, if the Meeting is adjourned or postponed, not later than 24 hours prior to the commencement of such adjournment or postponement.

Voting of Trust Units

These proxy materials are being sent to both registered and non-registered owners of Units. If you are a non-registered owner, and the REIT or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from an Intermediary (as defined below) holding on your behalf.

By choosing to send these materials to you directly, the REIT (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The information set forth in this section is of significant importance to Unitholders, as most of the issued and outstanding Trust Units are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms).

Beneficial Unitholders (as defined below) should note that only proxies deposited by Unitholders whose names are on the records of the REIT as the registered holders of Units can be recognized and acted upon at the Meeting. Units held by CDS & Co. for intermediaries, brokers or their nominees can only be voted at the Meeting upon the instructions of the Unitholder for whom or which they held Units (the “**Beneficial Unitholder**”). Without specific instructions, intermediaries, brokers or their nominees are prohibited from voting Units on behalf of their clients. The Board of Trustees does not know for whose benefit the Units registered in the name of CDS & Co. are held. Under the Declaration of Trust, only registered holders of Units can exercise Unitholder rights at the Meeting. Therefore, to the extent their securities are registered in the name of CDS & Co., Beneficial Unitholders cannot be recognized at the Meeting for purposes of voting their Units in person or by way of proxy except through CDS & Co. as the sole registered holder of such Units in the manner set forth below.

Intermediaries, brokers and nominees (collectively, “**Intermediaries**”) who hold Units on behalf of Beneficial Unitholders are required to seek voting instructions from Beneficial Unitholders in advance of the Meeting. As the process by which Intermediaries obtain and submit voting instructions varies among Intermediaries, each Beneficial Unitholder should please follow carefully the instructions provided or on behalf of their Intermediary in order to ensure that their Units can be voted at the Meeting. Generally, a Beneficial Unitholder will be advised by or on behalf of their Intermediary that they must provide their voting instructions to an agent of the Intermediary, such as Broadridge Financial Solutions, Inc., who will tabulate the instructions and then provide the tabulated voting instructions to TMX Equity Transfer Services. Beneficial Unitholders should provide their instructions sufficiently early to permit their Intermediaries or the agent of their Intermediaries to submit their votes to TMX Equity Transfer Services not later than June 3, 2016 at 10:00 a.m. and, if the Meeting is adjourned or postponed, not later than 24 hours prior to the commencement of such adjournment or postponement.

A Beneficial Unitholder receiving a proxy or voting instruction form from an Intermediary cannot use that proxy or voting instruction form to vote Units directly at the Meeting. In order to attend and vote in person at the Meeting, Beneficial Unitholders should follow the instructions provided by their Intermediaries or the agent of their Intermediaries. Generally, a Beneficial Unitholder will be instructed either (i) to complete the proxy or voting instruction form by inserting their own name to act as proxy in lieu of the Named Proxyholders in the blank space provided while leaving all of the “for” and “withhold” boxes blank, or (ii) to request a legal proxy in accordance with the instructions provided by the Intermediary or the Intermediary’s agent. If a Beneficial Unitholder receives a legal proxy for use at the Meeting from their Intermediary or their Intermediary’s agent, in order for it to be effective at the Meeting the Beneficial Unitholder must send the legal proxy to the transfer agent of the REIT, TMX Equity Transfer Services, so that it is received by TMX Equity Transfer Services not later than June 3, 2016 at 10:00 a.m. and, if the Meeting is adjourned or postponed, not later than 24 hours prior to the commencement of such adjournment or postponement.

A Beneficial Unitholder may revoke a voting instruction that has been given to an Intermediary at any time by notice given to the Intermediary or its agent in accordance with the instructions provided by or on behalf of the Intermediary. Any such revocation must be given in sufficient time for the Intermediary or its agent, as applicable, to act on it prior to the Meeting or any adjournment or postponement thereof. If a Beneficial Unitholder has made timely arrangements to attend and vote in person at the Meeting in the manner described above, voting instructions given prior to such action being taken will be revoked.

Revocability of Proxy

A registered Unitholder who has submitted a proxy may revoke it at any time prior to the exercise thereof. To revoke a proxy, a registered Unitholder may deliver or fax a written notice to the registered office of the REIT at 2000 Peel Street, Suite 758, Montreal, Québec, H3A 2W5, facsimile 514-933-9094, Attention: Secretary, or at the offices of TMX Equity Transfer Services, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1, at any time not later than the business day prior to the Meeting and, if the Meeting is adjourned or postponed, not later than 24 hours prior to the commencement of such adjournment or postponement. A proxy may also be revoked on the day of the Meeting or any adjournment or postponement of the Meeting by a registered Unitholder by delivering written notice to the chair of the Meeting. In addition, the proxy may be revoked by any other method permitted by applicable law.

Persons Making the Solicitation

The solicitation of proxies is being made by the Board of Trustees and management of the REIT. The costs incurred in the preparation and mailing of the Form of Proxy, Notice and Circular relating to the Meeting will be borne by the REIT. In addition to solicitation by mail, proxies may be solicited personally by telephone or other means of communication by the Board of Trustees, management or agents of the REIT who will not be specifically remunerated therefor. The costs of soliciting proxies will be borne by the REIT and are expected to be nominal.

Exercise of Discretion by Holders of Proxies

Where the Unitholder specifies a choice in a proper form of proxy or voting instruction form with respect to any matter to be acted upon, and the Named Proxyholders have been appointed as proxy, the Units represented by such form of proxy or voting instruction form shall be voted in accordance with the specification so made. **In the absence of such specification, Units for which the Named Proxyholder have been appointed as proxies will be voted FOR each of the matters specified in the Notice. The form of proxy and voting instruction form confers discretionary authority with respect to amendments or variations of those matters specified in the Notice and on any other matter that may be properly brought before the Meeting. As of the date of this Circular, the Trustees know of no such amendment, variation or other matters.**

Voting Securities and Principal Holders Thereof

Each Trust Unit entitles the holder thereof to one vote at the Meeting. Special Voting Units are used solely for providing voting rights to persons holding Class B limited partnership units (“**Class B LP Units**”) of PRO REIT Limited Partnership (“**PROREIT LP**”), a limited partnership created under the laws of the Province of Québec pursuant to the first amended and restated limited partnership agreement dated November 14, 2012. Class B LP Units are exchangeable for Trust Units, and upon any such exchange the accompanying Special Voting Units will be cancelled. Each Special Voting Unit entitles the holder thereof to a number of votes equal to the number of Trust Units into which the Class B LP Units to which such Special Voting Unit relates is exchangeable. Currently, each Class B LP Unit is exchangeable for one Trust Unit and accordingly, each Special Voting Unit entitles the holder thereof to one vote at the Meeting.

As of the Record Date, 30,617,522 Trust Units and 3,610,796 Special Voting Units (accompanying 3,610,796 Class B LP Units) were issued and outstanding. To the knowledge of the Trustees, as of the close of business on the Record Date, no person or company beneficially owned, or exercised control or direction, directly or indirectly, over more than 10% of the voting rights attached to the Units, other than the Lotus Crux Related Parties (as defined below), who, as of the close of business on the Record Date, collectively owned, controlled or directed, directly or indirectly, an aggregate of 3,432,513 Units (2,358,600 Trust Units and 1,073,913 Special Voting Units accompanying 1,073,913 Class B LP Units), representing approximately 10.1% of the issued and outstanding Units.

Quorum

A quorum for the transaction of business at the Meeting consists of two or more individuals present in person at the Meeting either holding personally or representing as proxies not less in aggregate than 10% of the aggregate number of votes attached to all outstanding Units. If such quorum is not present at the appointed Meeting location within 30 minutes after the time fixed for the holding of the Meeting, the Meeting shall be adjourned to a day being not less than ten days later and to such place and time as may be appointed by the chairperson of the Meeting. If at such adjourned Meeting a quorum is not present, the Unitholders present, either personally or by proxy, shall form a quorum, and any business may be brought before or dealt with at such adjourned Meeting which might have been brought before or dealt with at the original Meeting in accordance with the notice calling same.

MATTERS TO BE ACTED UPON AT THE MEETING

Receipt of Financial Statements

The audited consolidated financial statements of the REIT for the fiscal year ended December 31, 2015 and the report of auditor thereon will be presented at the Meeting.

Election of Trustees

General

Pursuant to the Declaration of Trust, the REIT may have between three and 12 Trustees at any given time, and a majority of Trustees must be resident Canadians. Pursuant to the Declaration of Trust, all Trustees are to be elected by a majority of the votes cast at a meeting of the Unitholders. The REIT currently has nine Trustees, Messrs. Beckerleg, Smith, Levitt, Limoges, Aghar, Chiara, Coté and Santoro and Ms. Jadavji. Eight of the nine current Trustees, Messrs. Beckerleg, Smith, Levitt, Limoges, Aghar, Chiara and Coté and Ms. Jadavji will be standing for re-election at the Meeting. Mr. Santoro has elected to not stand for re-election at the Meeting.

The Trustees are appointed at each annual meeting of the Unitholders to hold office for a term expiring at the close of the next annual meeting or until their respective successors are elected or appointed. The Trustees hold office for a term expiring at the conclusion of the next annual meeting of Unitholders of the REIT or until their successors are elected or appointed and will be eligible for re-election. A Trustee appointed by the Board of Trustees between meetings of Unitholders or to fill a vacancy will be appointed for a term expiring at the conclusion of the next annual meeting or until his or her successor is elected or appointed and will be eligible for election or re-election. The Declaration of Trust includes certain advance notice provisions, which were approved by Unitholders at the 2015 annual and special meeting of Unitholders, which will (i) facilitate orderly and efficient annual general or, where the need arises, special, meetings of Unitholders; (ii) ensure that all Unitholders receive adequate notice of Trustee nominations and sufficient information with respect to all nominees; and (iii) allow Unitholders to register an informed vote.

Pursuant to the terms of a support agreement (the “**Support Agreement**”) dated September 30, 2014 between the REIT and Lotus Crux REIT LP (“**Lotus Crux**”), Lotus Crux has the right to nominate a total of two individuals of its choosing (the “**Lotus Crux Nominees**”) for election to the Board of Trustees at each meeting of Unitholders where Trustees are to be elected as long as Lotus Crux and the Lotus Crux Related Parties (as defined in the Support Agreement) collectively hold or control at least 7.5% of the outstanding Units. Currently, Lotus Crux and the Lotus Crux Related Parties are entitled to nominate two Lotus Crux Nominees, and the Lotus Crux Nominees are Ms. Shenoor Jadavji and Mr. Peter Aghar. Additional information relating to the Support Agreement is available under the REIT’s profile on SEDAR at www.sedar.com.

Unitholders will be asked to elect eight Trustees for the ensuing year. The Named Proxyholders intend to vote **FOR** the election of the nominees whose names are set forth in “Matters to Be Acted Upon at the Meeting - Election of Trustees - Nominees” below (the “**Nominees**”), unless the Unitholder directs that the Units represented by the proxy be withheld from voting in respect of the election of one or more of the Nominees. Management of the REIT does not contemplate that any of the nominees listed below will be unable to serve as a Trustee of the REIT for the ensuing year. However, if that should occur for any reason prior to the Meeting, and the Named Proxyholders are appointed as proxies, the Named Proxyholders intend to vote for the election of the remaining Nominees and may vote for the election of a substitute nominee in their discretion.

The Board of Trustees recommends that Unitholders vote **FOR** each of the eight Nominees.

Majority Voting Policy

The Trustees have adopted a policy that entitles each Unitholder to vote for each nominee on an individual basis. The policy also stipulates that if the votes in favour of the election of a Trustee represent less than a majority of the Units voted and withheld, the nominee will submit his or her resignation promptly after the Meeting for the consideration of the Trustees. After reviewing the matter, the Trustees’ decision whether to accept or reject the resignation offer will be disclosed to the public within 90 days of the Meeting. The Trustees have discretion to accept or reject a resignation. The nominee will not participate in any Trustees deliberations on the resignation offer. The policy does not apply in circumstances involving contested elections.

The following tables set forth (a) the names of the persons being appointed or proposed to be nominated for election as Trustees; (b) their current positions with the REIT; (c) their principal occupation(s) or employment(s) during the five preceding years; and (d) the approximate number of Trust Units, Class B LP Units and Deferred Units beneficially owned or over which control or direction is exercised, directly or indirectly, by each of them, as of the Record Date. The following nominees were elected as Trustees at the REIT’s 2015 annual meeting of Unitholders and are proposed to be re-elected at the Meeting. Each Trustee elected will hold office until the next annual meeting of the Unitholders or until the election of his or her successor, unless he or she resigns his or her office otherwise becomes vacant.

Amendment to the Long Term Incentive Plan

On March 8, 2013, the REIT adopted a long term incentive plan as amended on May 12, 2014 (the "**Long Term Incentive Plan**" or "**LTIP**"), the purpose of which is to attract and retain high-quality individuals and align these individuals' incentives with that of the REIT. See "Executive Compensation - Elements of Compensation - Long Term Incentive Plan" for a full description.

Unitholders will be asked to vote on a resolution to amend the LTIP in order to increase the number of Units that may be issued pursuant to the LTIP by a further 2,375,299 Units. Currently, the aggregate number of Units that may be issued pursuant to the LTIP is 1,047,532. As at December 31, 2015, 815,404 Deferred Units and nil Restricted Units had been granted under the LTIP, representing an aggregate 815,404 underlying Units. If the proposed increase of 2,375,299 Units is approved by Unitholders, the total number of Units that would be issuable pursuant to the LTIP would be 3,422,831.

This proposed amendment to the LTIP is necessary for the REIT to be able to continue implementing its compensation mode and provide the REIT with the flexibility to award Units under the LTIP to achieve appropriate equity incentives.

This proposed amendment to the LTIP must be approved by a majority of the votes cast by all Unitholders at the Meeting who are not Trustees, directors, officers or other insiders of the REIT or their associates or affiliates (the "**Disinterested Unitholders**"). As at the Record Date, and based on the information available to the REIT, holders of 4,383,365 Units are not entitled to vote on the resolution to approve this proposed amendment to the LTIP. This proposed amendment to the LTIP is also subject to TSXV approval.

Accordingly, Disinterested Unitholders will be asked to consider, and if deemed advisable, to pass, with or without variation, an ordinary resolution the full text of which is set forth as Appendix “A” hereto.

The Board of Trustees recommends that Disinterested Unitholders vote **FOR** the amendment to the Long Term Incentive Plan.

Unless otherwise instructed, the Named Proxyholders, if appointed as proxies, intend to vote **FOR** the amendment to the Long Term Incentive Plan.

Ratification of Deferred Unit Grants

In 2016, in order to appropriately compensate certain Trustees, officers, consultants and employees of the REIT, and in order to align their interests with the interests of the REIT’s Unitholders, the Governance and Compensation Committee of the REIT’s Board of Trustees granted Deferred Units in excess of those allowable pursuant to the terms of the LTIP at such time in the total aggregate amount of 49,996 (the “**Deferred Units Grants**”) to the Trustees who are standing for re-election for the ensuing year and to Mr. Gordon G. Lawlor, the REIT’s Chief Financial Officer. As the Deferred Units Grants exceeded the maximum number of Deferred Units reserved for issuance under the LTIP as at that date, the Deferred Units Grants are subject to the approval of the REIT’s Unitholders, excluding the votes of the recipients of the Deferred Units Grants.

The Deferred Units Grants must be approved by a simple majority of votes cast by Unitholders, whether in person or by proxy, at the Meeting, excluding the votes of the recipients of the Deferred Units Grants. As at the Record Date, and based on the information available to the REIT, the recipients of the Deferred Units Grants are holders of, or control or direct, 4,367,115 Units and are not entitled to vote on the resolution to approve these Deferred Units Grants. These Deferred Units Grants are also subject to TSXV approval.

Accordingly, Unitholders, excluding the recipients of the Deferred Units Grants, will be asked to consider, and if deemed advisable, to pass, with or without variation, the following ordinary resolution:

BE IT RESOLVED THAT:

1. The Deferred Units Grants, the whole as described in this Circular are hereby approved, ratified and confirmed.
2. Any Trustee or officer of the REIT be and is hereby authorized, for and on behalf of the REIT to execute and deliver all documents and instruments and take such other actions, including making all necessary filings with applicable regulatory bodies and stock exchanges, as such Trustee or officer may determine to be necessary or desirable to implement this ordinary resolution, such determination to be conclusively evidenced by the execution and delivery of any such document or instrument and the taking of any such action.

The Board of Trustees recommends that Disinterested Unitholders vote **FOR** the approval of the Deferred Units Grants.

Unless otherwise instructed, the Named Proxyholders, if appointed as proxies, intend to vote **FOR** the approval of the Deferred Units Grants.

Reconfirmation and Amendment and Restatement of the Unitholders Rights Plan

On March 11, 2013, the REIT entered into a unitholder rights agreement with Equity Financial Trust Company as rights agent to implement a unitholders rights plan, the purpose of which is to ensure, to the extent possible, that all Unitholders are treated fairly in connection with any acquisition of control of the REIT (the “**Rights Plan**”).

On February 25, 2016, the Canadian Securities Administrators (the “**CSA**”) announced amendments, effective May 9, 2016, to the minimum period a take-over bid must remain open for deposits of securities thereunder, which extend the minimum period to 105 days (formerly 35 days), with the ability of the target issuer to voluntarily reduce the period to not less than 35 days. Additionally, the minimum period may be reduced due to the existence of certain competing take-over bids or alternative change in control transactions. As a result, the only proposed substantive amendment to the Rights Plan is to extend the period of time a Permitted Bid (as defined in the Rights Plan) must remain open solely to reflect changes to the take-over bid regime by the CSA. To ensure the Permitted Bid definition in the Rights Plan remains aligned with the minimum period a take-over bid must remain open under applicable Canadian securities laws, the proposed amendments to the Rights Plan include:

- amending the definition of Expiration Time and Section 5.21 of the Rights Plan in order to specify that requisite unitholder approval will be obtained to continue the Rights Plan at every third annual general meeting or else the Rights Plan will terminate;
- amending the definition of Permitted Bid to be outstanding for a minimum period of 105 or such shorter period that a take-over bid must remain open for deposits of securities, in the applicable circumstances, pursuant to Canadian securities laws; and
- certain additional non-substantive, technical and administrative amendments, including to align the definition of a Competing Permitted Bid to the minimum number of days as required under Canadian securities laws.

At the Meeting, Unitholders of the REIT will be asked to consider, and if thought advisable, to approve, with or without amendment, a resolution (the “**Rights Plan Resolution**”) approving the reconfirmation and amendment and restatement of the Rights Plan (the “**Amended Rights Plan**”). The principal terms of the Rights Plan, including the proposed amendments, are set forth in Appendix “B” hereto. A copy of the Amended Rights Plan may be obtained by contacting the REIT at (514) 933-9552 or by fax at (514) 933-9094. If approved, the complete text of the Amended Rights Plan will be filed on SEDAR at www.sedar.com after the Meeting.

For the Amended Rights Plan to be amended and continue in effect after the Meeting, the Rights Plan Resolution must be approved by a simple majority of votes cast by Unitholders, whether in person or by proxy, at the Meeting. If the Rights Plan Resolution is passed at the Meeting, then the Amended Rights Plan will become effective as of the date the Rights Plan Resolution is passed. If the Rights Plan Resolution is not passed at the Meeting, the Amended Rights Plan will not become effective and the Rights Plan will cease to have effect at the end of the Meeting.

Accordingly, Unitholders will be asked to consider, and if deemed advisable, to pass, with or without variation, the following Rights Plan Resolution:

BE IT RESOLVED THAT:

1. The unitholder rights plan of the REIT, including the amendments thereto, be reconfirmed, and the Amended and Restated Unitholders Rights Agreement to be dated as of June 7, 2016 between the REIT and Equity Financial Trust Company, which amends and restates the Unitholders Rights Agreement dated March 11, 2013, and continues the rights issued thereunder, be and is hereby ratified, confirmed and approved.
2. Any Trustee or officer of the REIT be and is hereby authorized, for and on behalf of the REIT to execute and deliver all documents and instruments and take such other actions, including making all necessary filings with applicable regulatory bodies and stock exchanges, as such Trustee or officer may determine to be necessary or desirable to implement this ordinary resolution, such determination to be conclusively evidenced by the execution and delivery of any such document or instrument and the taking of any such action.

The Board of Trustees recommends that Disinterested Unitholders vote **FOR** the approval of the Rights Plan Resolution.

Unless otherwise instructed, the Named Proxyholders, if appointed as proxies, intend to vote **FOR** the approval of the Rights Plan Resolution.

Interest of Certain Persons in Matters to Be Acted Upon

Except as otherwise disclosed, no other person or company who is, or at any time for the fiscal year ended December 31, 2015 was, a Trustee or executive officer of the REIT, a proposed nominee for election as a Trustee of the REIT, or an associate or affiliate of any such Trustee, executive officer or proposed nominee, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting.

EXECUTIVE COMPENSATION

Overview

As at the date hereof, the REIT does not directly employ any persons who would be considered an executive officer of the REIT. The services of James W. Beckerleg as President and Chief Executive Officer and Gordon G. Lawlor as Chief Financial Officer are provided to the REIT by the REIT's external manager, Labec Realty Advisors Inc. (the "**Manager**"). The Manager provides property and asset management advisory services to the REIT pursuant to the Management Agreement, for which the REIT pays certain fees. See "Management Agreement".

The REIT does not have any employment agreements with members of senior management and does not pay any cash compensation or short term incentives to any individuals serving as officers of the REIT, directly or indirectly. Rather, those individuals who are employees of the Manager are compensated by the Manager. A portion of the compensation paid to certain employees of the Manager is attributable to time spent on the activities of the REIT. The board of directors of the Manager has sole responsibility for determining the compensation of its executive officers from time to time, other than the granting of the Deferred Units and Restricted Units pursuant to the REIT's Long Term Incentive Plan, which are the responsibility of the Governance and Compensation Committee of the REIT's Board of Trustees.

Compensation Discussion and Analysis

As the REIT's senior management team is employed by the Manager, the REIT is only obligated to pay a fixed amount to the Manager pursuant to the Management Agreement. See "Management Agreement". Any variability in cash compensation paid by the Manager to the NEOs (as defined below) does not impact the REIT's financial obligations.

The following is intended to describe the portion of the compensation of the named executive officer that is attributable to time spent on activities of the REIT. The named executive officers of the REIT are the REIT's Chief Executive Officer and Chief Financial Officer (the "**Named Executive Officers**" or "**NEOs**"). No other executive officer of the REIT earned total compensation for the year ended December 31, 2015 in excess of \$150,000. They are:

- (a) James W. Beckerleg, President and Chief Executive Officer; and
- (b) Gordon G. Lawlor, Chief Financial Officer.

Elements of Compensation

The compensation of NEOs is based on three main elements: (i) base salaries; (ii) an annual cash incentive bonus; and (iii) long-term equity incentives granted under the REIT's LTIP. The NEOs do not benefit from medium-term incentives or pension plan participation. Perquisites and other personal benefits are not significant elements of their compensation.

As a private company, the Manager's process for determining compensation is straightforward and informal. The Manager's board of directors does not apply any specific formula for determining the amount of each compensation element or how one element fits into the overall compensation scheme in respect of the REIT's activities. Objectives and performance measures may vary from year to year as determined to be appropriate by the Manager's board of directors. Accordingly, the Board has not considered the implications of the risks associated with the compensation of NEOs.

Base Salaries

Base salaries are intended to attract and retain certain individuals to act as executives, and as compensation for fulfilling the responsibilities of the role. Base salaries are determined annually on an individual basis by the board of directors of the Manager, taking into consideration the past, current and potential contribution to the success of the REIT, the scope and responsibilities of the NEO's role in the REIT and the competitive industry practices for other real estate investment trusts and corporations of comparable size. The REIT does not engage compensation consultants for the purposes of performing benchmarking or to apply specific criteria for the selection of comparable real estate businesses. In the past, other comparable real estate businesses that have been considered for benchmarking purposes include Allied Properties REIT, Artis REIT, Cominar REIT and Pure Industrial REIT. Increases and decreases in base salary are at the sole discretion of the Manager's board of directors.

Annual Cash Incentive Bonus

Annual cash incentive bonuses are at the sole discretion of the Manager's board of directors and not awarded pursuant to any formal incentive plan. Annual cash incentive bonuses are intended to reward performance of the REIT or the NEO individually and to motivate, attract and retain certain individuals as executives. Assessment of the REIT and each

individual NEO's performance is based on qualitative and quantitative performance standards, as may be determined from year to year by the Manager's board of directors. It may be based on measures such as unit price performance, the meeting of operating, strategic and financial objectives, and the performance against Adjusted Funds from Operations (AFFO) per Unit as defined in the REIT's management's discussion and analysis ("MD&A"). Performance of the REIT and each individual NEO may vary from year to year depending on economic conditions and conditions in the real estate industry.

Long Term Incentive Plan

The Board of Trustees, acting on the recommendation of the Governance and Compensation Committee, may designate individuals eligible to receive grants of Restricted Units and Deferred Units under the REIT's LTIP. The LTIP is intended to align the interests of the eligible NEOs more closely with the interests of the Unitholders, as Restricted Units and Deferred Units are tied to the REIT's financial and unit trading performance and vest or accrue over a number of years. In determining the grant of Restricted Units and Deferred Units, the Governance and Compensation Committee consider the performance of the REIT and each individual NEO's performance, the scope and responsibilities of the NEO's role in the REIT, tenure and past grants.

See "Executive Compensation - Incentive Plan Awards - Long Term Incentive Plan". For more on the role of the Governance and Compensation Committee, see "Governance Practices - Committees of the Board of Trustees - Governance and Compensation Committee".

Summary Compensation Table

 - (a) James W. Beckerleg: 60,000 x \$2.25 = \$135,000 and 100,000 x \$2.30 = \$230,000;
 - (b) Gordon G. Lawlor: 40,000 x \$2.25 = \$90,000 and 67,000 x \$2.30 = \$154,100.
- (3) Includes additional Deferred Units credited for the period of January 1, 2015 to December 31, 2015 to reflect distributions paid on Trust Units.
- (4) Mr. Beckerleg receives no compensation for acting as a Trustee of the REIT.

Long Term Incentive Plan

The following information is intended to be a brief description of the LTIP and is qualified in its entirety by the full text of the LTIP, a copy of which is available on SEDAR at www.sedar.com.

Eligible Participants may participate in the LTIP. “**Eligible Participants**” under the LTIP consist of (a) all Trustees (other than employees of the Manager), directors, employees and consultants of the REIT and its affiliates, and (b) employees of consultants or the Manager. The LTIP provides the REIT with the option to grant to Eligible Participants Deferred Units and Restricted Units. Currently, the aggregate number of Units that may be issued pursuant to the LTIP is 1,047,532. No Restricted Units and Deferred Units may be granted if the result would cause the total number of Units potentially issuable under the LTIP to exceed the aggregate number of Units issuable under the LTIP. Additional Deferred Units will be credited to the holder's account on an ongoing basis to reflect distributions paid on Units. Eligibility to participate does not confer upon any individual a right to receive an award of Restricted Units or Deferred Units pursuant to the LTIP.

Each Restricted Unit and Deferred Unit is equivalent in value to a Unit, credited on the REIT's books. Unless otherwise specified when granting an award to an Eligible Participant, one third of each Restricted Unit and Deferred Unit granted to Eligible Participants granted in any year shall vest (a) on January 1st of the following year (the “**Initial Vesting Date**”); (b) on the first anniversary of the Initial Vesting Date; and (c) on the second anniversary of the Initial Vesting Date. Restricted Units shall be settled on the date that the Restricted Units vest whereas Deferred Units shall be settled only after

the participant has ceased, as applicable, to provide services as a Trustee, director, employee or consultant of the REIT and its affiliates or as an employee of a consultant or the Manager. Under the LTIP, an eligible Trustee has the right to receive up to 50% of his or her meeting fees for the calendar year through the issuance of Deferred Units.

The aggregate of the Units: (i) issued to insiders of the REIT, within any one year period; and (ii) issuable to insiders of the REIT, at any time, under the LTIP shall not exceed 10% of the REIT's total issued and outstanding Units. Any Restricted Units or Deferred Units held by a participant immediately vest on the retirement or death of the participant or if a participant is terminated by the REIT without cause or becomes disabled. If a participant resigns or is terminated for cause, any of the participant's Restricted Units and Deferred Units which have not already vested immediately expire.

Upon the occurrence of a change of control event, the vesting of all Deferred Units and Restricted Units held by a participant shall be accelerated to provide that such Deferred Units and Restricted Units shall be fully vested and settlement shall be effective immediately prior to the completion of the change of control.

The Board of Trustees of the REIT may review and confirm the terms of the LTIP from time to time and may, subject to the TSXV rules, amend or suspend the LTIP in whole or in part as well as terminate the LTIP without prior notice as it deems appropriate. However, subject to the terms of the LTIP, no amendment may adversely affect the Deferred Units or Restricted Units previously granted under the LTIP without the consent of the affected Eligible Participant.

The table below sets forth details about the LTIP, the only equity compensation plan of the REIT, as of December 31, 2015.

Plan Category	Number of Units to be Issued Upon Vesting of All Outstanding DUs and RUs Issued Pursuant to the LTIP	Weighted-Average Exercise Price of Outstanding DUs and RUs	Number of Units Remaining Available for Future Issuance Under LTIP (Excluding Units Reflected in the First Column)

TRUSTEE COMPENSATION

Compensation of Trustees

In consideration for serving on the Board of Trustees, each Trustee is entitled to receive a fee of \$1,000 for each meeting of the Trustees attended in person or by conference call. Trustees who are also employees of the Manager are not eligible for remuneration in their role as a Trustee for purposes of attending meetings of the Board of Trustees. During the period from October 1, 2013 to September 30, 2014, and such further periods until the REIT acquires sufficient additional properties, with the intent of maintaining the sustainability of the REIT's cash flows, the Trustees have agreed to waive any fees to which they may be entitled as Trustees, subject to certain conditions, with the intent of maintaining the sustainability of the REIT's cash flows. Following such period, the Trustees will revisit this arrangement, with the intent of maintaining the sustainability of the REIT's cash flows. The REIT may also grant to Trustees who are not employees of the Manager Deferred Units and Restricted Units under the terms of the LTIP. See "Executive Compensation - Incentive Plan Awards - Long Term Incentive Plan".

The aggregate number of Units that may be issued pursuant to the LTIP is 1,047,532. No Restricted Units and Deferred Units may be granted if the result would cause the total number of Units potentially issuable under the LTIP to exceed the aggregate number of Units issuable under the LTIP. Trustees eligible to receive cash remuneration from the REIT may also

elect to receive up to 50% of their cash remuneration in the form of Deferred Units. The remuneration of the Trustees is subject to periodic review by the Board of Trustees, in consultation with the Governance and Compensation Committee.

The Trustees may also be reimbursed for their out-of-pocket expenses incurred in acting as Trustees. MANAGEMENT AGREEMENT

The following information is intended to be a brief description of the Management Agreement. For a more detailed description, see "Arrangements with the Manager" in the REIT's annual information form for the REIT's fiscal year ended December 31, 2015 (the "AIF"), a copy of which is available on SEDAR at www.sedar.com.

On March 11, 2013, the REIT entered into a management agreement (the "Management Agreement") with the Manager, Labec Realty Advisors Inc., whose head office is located at 2000 Peel Street, Suite 758, Montreal, Qu bec,

H3A 2W5. Pursuant to the terms of the Management Agreement, the Manager provides the REIT with the services necessary to manage its day-to-day operations, including the services of Messrs. James W. Beckerleg and Gordon G. Lawlor to the REIT as President and Chief Executive Officer and Chief Financial Officer of the REIT, respectively. Messrs. James W. Beckerleg and Gordon G. Lawlor respectively hold 50% of the shares of the Manager and are its only directors. Total fees incurred under the Management Agreement in 2015 were \$987,000.

In connection with the services provided by the Manager under the Management Agreement, the following amounts are payable to the Manager, in cash:

- an annual advisory fee equal to 0.25% of the Adjusted Cost Base of the REIT's assets, where "**Adjusted Cost Base**" means the book value of the assets of the REIT, as shown on its most recent consolidated balance sheet, plus the amount of accumulated depreciation and amortization shown thereon, less excess cash that is not yet invested in properties or other assets; and
- an acquisition fee equal to (i) 1.00% of the purchase price paid by the REIT for the purchase of a property, on the first \$100,000,000 of properties acquired in each fiscal year; (ii) 0.75% of the purchase price paid by the REIT for the purchase price of a property on the next \$100,000,000 of properties acquired in each fiscal year, and (iii) 0.50% of the purchase price paid by the REIT for the purchase of a property, on properties in excess of \$200,000,000 acquired in each fiscal year.

Term and Termination

The Management Agreement has an initial term expiring in 2019, subject to early termination in certain circumstances, and will be renewable for further five year periods upon mutual agreement. The REIT has the right, to terminate the Management Agreement in the event that the GBV, as such term is defined in the Management Agreement, of the REIT's assets reaches \$500 million, as such term is described in the AIF, in which case the REIT shall pay the Manager a termination fee equal to the management fees and expenses paid to the Manager in the then most recent fiscal year, plus any severance costs related to the employees of the Manager. In addition, the REIT has the right to terminate the Management Agreement at any time without cause by a decision of a majority of the independent Trustees and upon at least 60 days' prior written notice, in which case the REIT shall pay the Manager a termination fee equal to:

- (i) in the event the Management Agreement is terminated during its initial term, the anticipated fees which would have been payable to the Manager in respect of such services during the balance of the initial term, plus any severance costs related to the employees of the Manager and any lease termination penalties payable by the Manager; provided that if there remained less than two years on the initial term of the Management Agreement, the REIT shall pay to the Manager a termination fee equal to the anticipated fees which would have been payable to the Manager in respect of such services during the following two years, plus any severance costs related to employees of the Manager and any lease termination penalties payable by the Manager; or
- (ii) in the event the Management Agreement is terminated during a renewal term, the anticipated fees which would have been payable to the Manager during the following two years, plus any severance costs related to the employees of the Manager and any lease termination penalties payable by the Manager.

Non-Competition

During the term of the Management Agreement, the Manager and Messrs. Beckerleg and Lawlor shall not make any restricted investments in Canada. For the purposes of the Management Agreement, "restricted investments" means the acquisition of an ownership interest in or development of, directly or indirectly, income-producing office, retail, and industrial properties.

The Manager and Messrs. Beckerleg and Lawlor may however make restricted investments provided that (i) the REIT has first been offered the opportunity to make the restricted investment, directly or indirectly, or (ii) Messrs. Beckerleg and Lawlor make a restricted investment where the primary purpose of the investment is to use the property for personal purposes or as office space.

GOVERNANCE PRACTICES

General

The Trustees and management believe that sound corporate governance practices will contribute to the effective management of the REIT and the achievement of its strategic and operational goals and objectives. The following description of the REIT's governance practices is made with reference to National Policy 58-201 – *Corporate Governance Guidelines*, National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) and National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”), as applicable. The REIT is required to disclose certain information with respect to its governance practices. This information is set out below.

External Management Structure

The REIT is externally managed by an experienced team of real estate professionals utilizing an efficient management structure. In exchange for providing management services to the REIT, the Manager earns a competitive advisory fee, expressed as a percentage of the Adjusted Cost Base of the REIT's assets, and an acquisition fee, expressed as a percentage of the purchase price of properties acquired. The Manager does not charge any incentive, disposition, financing, leasing, construction or development fees. In addition, the Manager has agreed to internalize the asset management function of the REIT once the REIT's GBV reaches \$500 million. See “Management Agreement”.

Furthermore, the REIT seeks to maintain strong and effective governance with a Board of Trustees comprised of a majority of independent Trustees (within the meaning of NI 52-110), all of whom have experience in the Canadian commercial real estate and capital markets.

As of the Record Date, members of management and the Board of Trustees held or controlled, directly or indirectly, a 12.8% equity interest in the REIT.

Independence

Six of the nine Trustees during 2015 were independent within the meaning of NI 52-110, namely Messrs. John Levitt, Gérard A. Limoges, Ronald E. Smith, Mr. Vitale Santoro, Mr. Vincent Chiara and Mr. Martin Coté. Mr. James W. Beckerleg serves as President and Chief Executive Officer of the REIT. Ms. Jadavji and Mr. Peter Aghar receive fees under the Strategic Investment Agreement. Accordingly, Mr. Beckerleg, Ms. Jadavji and Mr. Peter Aghar are not independent within the meaning of NI 52-110. The roles of Chairman of the Board of Trustees and Chief Executive Officer have been divided, permitting the Chairman to focus on his responsibilities. The independent Trustees meet in camera in conjunction with every regularly scheduled quarterly Board meeting.

The Board of Trustees has established four Board committees, being the Audit Committee, the Governance and Compensation Committee, the Nominating Committee and the Investment Committee. Each committee has a formal written charter, except for the Investment Committee. The Declaration of Trust requires that the Governance and Compensation Committee and the Audit Committee be composed of at least three Trustees, a majority of whom must be independent. The Declaration of Trust requires that a majority of the trustees on each of these committees be residents of Canada. During 2015, the each of the Audit Committee and the Governance and Compensation Committee was comprised solely of independent Trustees and each of the Nominating Committee and the Investment Committee was comprised of a majority of independent Trustees.

Board Mandate

The Board of Trustees is responsible for the stewardship of the activities and affairs of the REIT. The Board seeks to discharge such responsibility by reviewing, discussing and approving our strategic planning and organizational structure and supervising management to oversee that the strategic planning and organizational structure enhance and preserve the business of REIT and the REIT's underlying value. The Board of Trustees meets periodically to review and approve the strategic plan proposed by management. In addition, the Board assesses the REIT's major opportunities and the risk impact of strategic decisions contemplated by management and monitors performance against such plans.

Orientation and Continuing Education

Each of Mr. Peter Aghar, Mr. Vincent Chiara and Mr. Coté was appointed as a new Trustee on June 9, 2015. When new Trustees are elected, they receive a comprehensive orientation. They are briefed on the role of the Board of Trustees, its committees, the contribution individual Trustees are expected to make, and the nature and operation of the

REIT and its assets. This is consistent with governance guidelines and enables a new Trustee to better understand the REIT and his or her role and responsibilities. Additionally, as new laws, issues or other developments that are relevant to the REIT arise, including general economic or capital markets trends, the REIT will ensure that such matters are the subject of presentations to, or discussions with, the Board of Trustees to ensure that each Trustee is fully aware of all relevant aspects of such matters.

The REIT's continuing education program for its Trustees involves the ongoing evaluation by the Governance and Compensation Committee of the skills and competencies of existing Trustees. The Board of Trustees is currently comprised of highly qualified and experienced Trustees with impressive levels of skill and knowledge. Many of the Trustees are seasoned business executives, directors or professionals with considerable amounts of experience, including as directors of other significant public companies. The Governance and Compensation Committee continually monitors the composition of the Board of Trustees and plans to recommend the adoption of a formal continuing education program in 2016.

Ethical Business Conduct

Code of Business Conduct

The REIT has adopted a written Code of Conduct which sets out the principles which should guide the behaviour of all Trustees, officers and employees of the REIT and its subsidiaries, including the Manager. The objective of the Code of Conduct is to provide guidelines for maintaining the integrity, reputation, honesty, objectivity and impartiality of the REIT. The Code of Conduct addresses conflicts of interest, protecting the REIT's assets, confidentiality, fair dealing with security holders, competitors and employees, insider trading, compliance with laws and reporting any illegal or unethical behaviour.

As part of the Code of Conduct, any person subject to the Code of Conduct is required to avoid or fully disclose interests or relationships that are harmful or detrimental to the REIT's best interests or that may give rise to real, potential or the appearance of conflicts of interest. The Board of Trustees has the ultimate responsibility for the stewardship of the Code of Conduct. A copy of the Code of Conduct is available on SEDAR at www.sedar.com.

Conflict of Interest

The Declaration of Trust of the REIT contains "conflict of interest" provisions similar to those contained in the *Canada Business Corporations Act* to protect holders of units without creating undue limitations on the REIT.

Given that the Trustees and officers of the REIT are engaged in a wide range of real estate and other activities, the Declaration of Trust requires each of the Trustees or officers of the REIT to disclose to the REIT if he or she is a party to a material contract or transaction or proposed material contract or transaction with the REIT or the fact that such person is a director or officer of or otherwise has a material interest in any person who is a party to a material contract or transaction or proposed material contract or transaction with the REIT. Such disclosure is required to be made by a Trustee (i) at the first meeting of the Board of Trustees, Investment Committee or applicable committee, as the case may be, at which a proposed contract or transaction is considered; (ii) if the Trustee was not then interested in a proposed contract or transaction, at the first such meeting after a Trustee becomes so interested; (iii) if the Trustee becomes interested after a contract is made or a transaction is entered into, at the first such meeting after the Trustee becomes so interested; or (iv) at the first meeting after an interested party becomes a Trustee. Disclosure is required to be made by an officer (i) as soon as the officer becomes aware that a contract or transaction or proposed contract or transaction is to be, or has been, considered by the Trustees; (ii) as soon as the officer becomes aware of his or her interest in a contract or transaction; or (iii) if not currently one of the REIT's officers, as soon as such person becomes one of the REIT's officers.

In the event that a material contract or transaction or proposed material contract or transaction is one that in the ordinary course would not require approval by the Trustees or Unitholders, that Trustee or officer is required to disclose in writing to the Trustees or request to have entered into the minutes of the meeting of the Trustees the nature and extent of his or her interest forthwith after the Trustee or officer becomes aware of the contract or transaction or proposed contract or transaction. In any case, a Trustee who has made disclosure to the foregoing effect is not entitled to vote on any resolution to approve the contract or transaction unless the contract or transaction is one relating primarily to his or her remuneration for serving as a Trustee, officer, employee or agent or one for indemnity under the indemnity provisions of the Declaration of Trust or the purchase of liability insurance.

The Declaration of Trust also contains provisions to address potential conflicts of interest arising between the REIT and any related party. In particular, the Trustees are required to obtain a valuation in respect of any real property that PROREIT LP or its subsidiaries intend to purchase from or sell to a related party prepared by a valuator engaged by, and prepared under the supervision of, a committee of two or more independent Trustees who have no interest in such

transaction. In addition, the REIT will not permit PROREIT LP to effect a transaction with a related party unless the transaction is determined to be on commercially reasonable terms by, and is approved by, a majority of the independent Trustees who have no interest in such transaction.

Nomination of Trustees

The Nominating Committee is responsible for identifying and investigating potential candidates for nomination to the Board of Trustees, including nominations put forward by Unitholders, and recommending prospective Trustees, as required, who will provide an appropriate balance of knowledge, experience and capability on the Board of Trustees. See “Governance Practices - Committees of the Board of Trustees - Governance and Compensation Committee”.

Compensation

The Board of Trustees determines the appropriate compensation for the Trustees of the REIT after considering the recommendations of the Governance Compensation Committee. The Board of Trustees and the Governance and Compensation Committee believe that the compensation currently paid to the Trustees is fair in light of the responsibilities and risks assumed by each Trustee and having regard to compensation paid to trustees of comparable real estate investment trusts. See “Trustee Compensation”.

The Board of Trustees and the Governance and Compensation Committee are responsible for identifying and mitigating risk related to the REIT’s compensation policies and practices. Such identified risks include the use of an external manager and the REIT’s reliance on the services provided by the Manager, in particular the services of Messrs. James W. Beckerleg and Gordon G. Lawlor. Practices used by the REIT to mitigate such risks include the alignment of Trustee and management’s interest with those of Unitholders.

Position Descriptions

Chair of the Board

The Chair of the Board is elected by the Board of Trustees. The primary responsibility of the Chair of the Board is to provide leadership to the Board of Trustees in order to enhance Board effectiveness. The Board of Trustees has ultimate accountability for the supervision and management of the REIT. Critical to this accountability is the relationship between the Board of Trustees, management, Unitholders and other stakeholders. The Chair of the Board, as presiding member, oversees that these relationships are effective, efficient and further the best interests of the REIT. The Board of Trustees has adopted a written position description for the Chairman of the Board which sets out the Chairman’s key responsibilities, including duties relating to setting Board meeting agendas, chairing Board of Trustees and Unitholder meetings and communicating with the senior officers of the REIT so that they are aware of concerns of Trustees, Unitholders and other stakeholders.

Committee Chairs

The Board has adopted general position descriptions for the committee chairs. To fulfill his or her responsibilities and duties, the chair for each committee shall: facilitate the effective operation and management of, and provide leadership to, the committee; chair meetings of the committee; set the agenda for each meeting of the committee and otherwise bring forward matters for consideration within the charter of the committee; facilitate the committee’s interaction with management, the Board of Trustees and other committees of the Board of Trustees; act as a resource and mentor for other members of the committee; report to the Board of Trustees on matters considered by the committee, its activities and compliance with the committee’s charter; and perform such other duties and responsibilities as may be delegated to the Chair of the Board by the committee from time to time.

The above position descriptions are reviewed and reassessed annually by the Governance and Compensation Committee and the Nominating Committee.

Committees of the Board of Trustees

Audit Committee

The Audit Committee is responsible for assisting the Board of Trustees in fulfilling its oversight responsibilities with respect to financial reporting, including (i) reviewing the REIT’s procedures for internal control with the REIT’s auditor and Chief Financial Officer; (ii) reviewing and approving the engagement of the auditor; (iii) reviewing annual and

quarterly financial statements and all other material continuous disclosure documents, including the REIT's annual information form and management's discussion and analysis; (iv) assessing the REIT's financial and accounting personnel; (v) assessing the REIT's accounting policies; (vi) reviewing the REIT's risk management procedures; and (vii) reviewing any significant transactions outside the REIT's ordinary course of business and any pending litigation involving the REIT.

The Audit Committee has direct communication channels with the Chief Financial Officer of the REIT and the external auditor of the REIT to discuss and review such issues as the Audit Committee may deem appropriate.

The Audit Committee is comprised of Messrs. Gérard A. Limoges, who acts as Chair of the Committee, Ronald E. Smith and Martin Coté. Each of these individuals is "financially literate" and "independent" within the meaning of NI 52-110.

Each member of the Audit Committee possesses considerable education and experience relevant to the performance of his responsibilities as an Audit Committee member. For the education and experience of each member of the Audit Committee relevant to the performance of his duties as a member of the Audit Committee, see "Matters to Be Acted Upon at the Meeting - Election of Trustees - Nominees". Additional information about our Audit Committee as required by NI 52-110 is contained in our latest annual information form which is available on SEDAR at www.sedar.com.

Governance and Compensation Committee

The Governance and Nominating Committee is responsible for reviewing, overseeing and evaluating the governance policies of the REIT. The Board of Trustees has adopted a written charter for the Governance and Compensation Committee setting out its responsibilities for: (i) assessing annually, and at such other times as it deems appropriate, the effectiveness of the Board of Trustees, each of its committees and individual Trustees; (ii) organizing an orientation and education program for new Trustees; (iii) considering and approving proposals by the Trustees to engage outside advisers on behalf of the Board of Trustees as a whole or on behalf of the independent Trustees; and (iv) reviewing and making recommendations to the Board of Trustees concerning any change in the number of Trustees composing the Board of Trustees, annually and at such other times as it deems appropriate.

In addition, pursuant to its written charter, the Governance and Compensation Committee is responsible for: (i) considering questions of management succession; (ii) administering any unit option or purchase plan of the REIT and any other compensation incentive programs (including the LTIP); (iii) assessing the performance of management of the REIT; (iv) reviewing and approving the compensation paid by the REIT, if any, to the officers, advisers and consultants of the REIT; and (v) reviewing and making recommendations to the Board of Trustees concerning the level and nature of the compensation payable to Trustees and officers of the REIT.

The Governance and Compensation Committee is comprised of Messrs. Vitale A. Santoro, who acts as Chair of the Committee, John Levitt and Gérard A. Limoges. Each of these individuals is an independent Trustee. Each member of the Governance and Compensation Committee possesses considerable education and experience relevant to the performance of his responsibilities as a Governance and Compensation Committee member. For the education and experience of each member, see "Matters to Be Acted Upon at the Meeting - Election of Trustees - Nominees". Given that Mr. Santoro will not stand for re-election at the Meeting, it is expected that Mr. Smith, if elected, will be appointed as a new Chair of the Governance and Compensation Committee.

Nominating Committee

The Declaration of Trust requires the Board of Trustees to have a Nominating Committee consisting of at least three Trustees, a majority of whom are independent. The Declaration of Trust provides that the Chair of the Nominating Committee shall be a resident of Canada. The Nominating Committee is charged with reviewing, overseeing and evaluating the nominating policies of the REIT. The Board of Trustees has adopted a written charter for the Nominating Committee setting out its responsibilities for overseeing the recruitment and selection of candidates as Trustees of the REIT.

The Nominating Committee is comprised of Messrs. James W. Beckerleg, who acts as Chair of the Committee, Peter Aghar, John Levitt and Gérard A. Limoges.

Investment Committee

The Declaration of Trust requires the Board of Trustees to have an Investment Committee consisting of at least three Trustees, each of whom must have substantial experience in the real estate industry, as determined by the Board of Trustees. The Investment Committee will (i) approve or reject proposed acquisitions and dispositions of investments by the

REIT; (ii) authorize proposed transactions; and (iii) approve all financing arrangements and the assumption or granting of any mortgage other than the renewal of any existing mortgage by any of the REIT's subsidiaries.

The Investment Committee is comprised of Messrs. James W. Beckerleg, who acts as Chair of the Committee, Vincent Chiara, Shenoor Jadavji, John Levitt and Ronald E. Smith.

Succession Planning

Although the REIT does not have any succession plan currently in place, the Governance and Compensation Committee plans to develop a succession plan for the key positions on the executive team which takes into account the skills required for such positions and possible candidates should the need arise.

Assessments

The Governance Compensation Committee is responsible for annually reviewing and assessing the effectiveness of the Board of Trustees, the committees of the Board of Trustees and contributions of the individual Trustees. As part of the review process, the Compensation Committee plans to institute a policy in 2016 whereby it considers input from Trustees where appropriate, the attendance record of Trustees at meetings of the Board of Trustees and any committee thereof, the charters of the Board of Trustees and its committees, applicable position descriptions, the competencies and skills that each Trustee is expected to, and does in fact, bring to the Board of Trustees and each committee on which such Trustee serves, and the evolving needs of the REIT.

As part of a formal Board assessment process in 2016, the Compensation Committee plans to conduct of a review of (a) the performance of the Board of Trustees as a whole, including a review of the performance of the Board of Trustees' Chair; (b) the performance of each of the REIT's four committees, including a review of the performance of the committee Chairs; and (c) the performance of each individual Trustee by way of a peer-to-peer review.

Feedback to the Board of Trustees

Unitholders may communicate comments directly to the independent Trustees by writing to the Chair of the Board of Trustees, care of John Levitt, c/o PRO Real Estate Investment Trust, 2000 Peel Street, Suite 758, Montreal, Québec, H3A 2W5. All correspondence, with the exception of solicitations for the purchase or sale of products and services and other similar types of correspondence, will be forwarded to the Chair of the Governance and Compensation Committee.

INDEBTEDNESS OF TRUSTEES AND OFFICERS OF THE REIT AND ITS AFFILIATES

As at the Record Date, no present or former Trustee, officer or employee is indebted to the REIT or any of its subsidiaries.

INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

The following is a summary of the material attributes and characteristics of the Amended Rights Plan and does not purport to be complete and is subject to, and qualified in its entirety by, reference to the terms of the Amended Rights Plan.

Separation Time

The Rights separate and trade separately from the Voting Units after the Separation Time (as defined below). Following the Separation Time, the REIT shall determine whether to issue certificates evidencing the Rights or whether the Rights will be registered in book entry only form.

The “**Separation Time**” is the close of business on the tenth business day following the earliest of:

- (a) the date (the “**Unit Acquisition Date**”) of the first public announcement made by the REIT or an Acquiring Person (as defined below) that a person has become an Acquiring Person;
- (b) the date of the commencement of, or first public announcement of the intent of any Person to commence, a take-over bid (other than a Permitted Bid (as defined below) or a Competing Permitted Bid (as defined below) by any person (an “Offeror”) for the Voting Units;
- (c) the date upon which a Permitted Bid or Competing Permitted Bid ceases to be such; or
- (d) such later date as may be determined by the Board of Trustees in good faith.

If any take-over bid triggering the Separation Time expires or is cancelled, terminated or otherwise withdrawn prior to the Separation Time, the bid shall be deemed, for the purposes of determining the Separation Time, never to have been made.

Exercise Price of Rights

The initial exercise price established under the Amended Rights Plan is \$30 per Unit. After the Separation Time and prior to the occurrence of a Flip-in Event (as defined below), each Right entitles the registered holder to purchase one Unit at the exercise price of \$30 per Unit, subject to certain anti-dilution adjustments and other rights as will be set out in the Amended Rights Plan. The terms of the Rights adjust significantly upon the occurrence of a “Flip-In Event”, as described below.

Flip-In Event

A “**Flip-In Event**” is triggered when a person becomes an Acquiring Person (as defined below). Upon the occurrence of a Flip-in Event, the REIT must take such action as shall be necessary to ensure that each Right (except for Rights beneficially owned by the persons specified below) shall thereafter constitute the right to purchase from the REIT upon exercise thereof in accordance with the terms of the Amended Rights Plan that number of Units having an aggregate market price on the date of the consummation or occurrence of such Flip-in Event equal to twice the exercise price, for an amount in cash equal to the exercise price. By way of example, if at the time of such announcement the exercise price of the Rights is \$100 and the Units have a market price of \$10 per Unit, the holder of each Right would be entitled to purchase the number of Units that has in the aggregate a market price of \$200 (i.e., 20 Units in this example) for a price of \$100, that is, at a 50% discount.

The Amended Rights Plan provides that Rights that are beneficially owned by:

- (a) an Acquiring Person, any affiliate or associate of an Acquiring Person, any person acting jointly or in concert with an Acquiring Person, or any affiliate or associate of such Acquiring Person, or
- (b) a transferee, direct or indirect, of Rights from any of the foregoing,

shall in certain circumstances become null and void without any further action and any holder of such Rights (including transferees) shall not have any rights whatsoever to exercise such Rights under any provision of the Amended Rights Plan.

Acquiring Person

An “**Acquiring Person**” is a person who beneficially owns (as such concept is defined in the Amended Rights Plan) 20% or more of the outstanding Units. An Acquiring Person does not, however, include:

- (a) the REIT or any other Subsidiary of the REIT;
- (b) any person who beneficially owns 20% or more of the Voting Units of the REIT on Closing (a “**Grandfathered Person**”), provided, however, that this exemption shall not be, and shall cease to be, applicable to a Grandfathered Person in the event that such Grandfathered Person shall, after Closing: (i) cease to own more than 20% or more of the outstanding Voting Units; or (ii) become the beneficial owner of any additional Voting Units that increases its beneficial ownership of Voting Units, by more than 1% of the number of Voting Units, outstanding as at Closing, directly or indirectly, other than pursuant to certain exempt acquisitions described below;
- (c) an underwriter or member of a banking or selling group that acquires Units from the REIT in connection with a distribution of securities; or
- (d) any person who becomes the beneficial owner of 20% or more of the Voting Units as a result of certain exempt acquisitions.

Exempt transactions include:

- (a) specified acquisitions (including pursuant to the DRIP) or redemptions of Voting Units;
- (b) acquisitions pursuant to a Permitted Bid (which may include a Competing Permitted Bid), as described below; or
- (c) acquisitions of Voting Units in exchange for additional properties being acquired by the REIT.

Permitted Bids

A “**Permitted Bid**” means a bid which is made by an Offeror by means of a take-over bid circular and which also complies with the following additional provisions:

- (a) the bid is made to all holders of Voting Units, other than the Offeror, for all of the issued and outstanding Voting Units (including any Voting Units that may be issued on the conversion or exchange of securities issued by the REIT or the Class B LP Units);
- (b) the bid contains, and the take-up and payment for securities tendered or deposited thereunder is subject to, irrevocable and unqualified conditions that no Voting Units shall be taken up or paid for pursuant to the bid (i) prior to the close of business on the date which is not less than 105 days following the date of the bid (or such shorter period that a bid must remain open for deposits of securities, in the applicable circumstances, pursuant to Canadian securities laws); and (ii) unless at such date more than 50% of the Voting Units held by independent unitholders shall have been deposited or tendered pursuant to the bid and not withdrawn;
- (c) the bid contains an irrevocable and unqualified provision that, unless the bid is withdrawn, Voting Units may be deposited pursuant to such bid at any time prior to the close of business at any time during the period described in (b)(i) and that any Voting Units deposited pursuant to the bid may be withdrawn until taken up and paid for; and
- (d) the bid contains an irrevocable and unqualified provision that if, in the event that the deposit condition in (b)(ii) is satisfied, the Offeror will make a public announcement of that fact and the bid will remain open for deposits and tenders of Voting Units for not less than 10 business days from the date of such public announcement.

A “**Competing Permitted Bid**” means a bid that:

- (a) is made after a Permitted Bid or another Competing Permitted Bid has been made and prior to the expiry of the Permitted Bid;

- (b) satisfies all components of the definition of a Permitted Bid other than the requirements set out in paragraph (b)(i) of the definition of Permitted Bid; and
- (c) contains, and the take-up and payment for securities tendered or deposited is subject to, an irrevocable and unqualified condition that no Voting Units will be taken up or paid for pursuant to the bid prior to the close of business on a date that is no earlier than the minimum number of days such take-over bid must remain open for deposits of securities thereunder pursuant to applicable Canadian securities laws after the date of the take-over bid constituting the Competing Permitted Bid;

Neither a Permitted Bid nor a Competing Permitted Bid is required to be approved by the Board of Trustees and such bids may be made directly to unitholders. Acquisitions of Voting Units made pursuant to a Permitted Bid or a Competing Permitted Bid do not give rise to a Flip-in Event.

Redemption and Waiver

The Board of Trustees may, at any time prior to the occurrence of a Flip-in Event, with the prior approval of the holders of Voting Units or Rights, elect to redeem all but not less than all of the Rights at a redemption price of \$0.0001 per Right (the “**Redemption Price**”). In the event that prior to the occurrence of a Flip-in Event a person acquires, pursuant to a Permitted Bid, a Competing Permitted Bid or an exempt acquisition, outstanding Voting Units, then the Board of Trustees shall, immediately upon the consummation of such acquisition without further formality be deemed to have elected to redeem the Rights at the Redemption Price. If the Board of Trustees elects or is deemed to have elected to redeem the Rights, the right to exercise the Rights will terminate and each Right will after redemption be null and void and the only right thereafter of the holders of Rights shall be to receive the Redemption Price.

Under the Amended Rights Plan, the Board of Trustees may, prior to the occurrence of a Flip-in Event, waive application of the Amended Rights Plan to a Flip-in Event that may occur by reason of a take-over bid made by way of a formal take-over bid circular to all holders of Voting Units. Once the Board of Trustees has exercised its discretion to waive application of the Amended Rights Plan in respect of any particular take-over bid and another take-over bid is made, the Board of Trustees shall be deemed to have waived the application of the Amended Rights Plan to such other take-over bid provided that such other take-over bid is made by way of a formal take-over bid circular to all holders of Voting Units prior to the expiry of the take-over bid in respect of which the waiver has been granted.

The Board of Trustees may also waive the application of the Amended Rights Plan upon the occurrence of a Flip-in Event in certain other circumstances, including where the Board of Trustees has determined that a person became an Acquiring Person by inadvertence and without any intention to become, or knowledge that it would become, an Acquiring Person and within 14 days after the foregoing determination by the Board of Trustees or such earlier or later date as the Board of Trustees may determine, such person has reduced its beneficial ownership of Voting Units such that the person is no longer an Acquiring Person.
