Canada's Light Industrial Sector REIT of Choice

Our Vision

To be the REIT of choice in Canada's industrial sector by delivering excellence, growth and lasting value.

Our Mission

To invest in high-quality industrial real estate and manage properties to high standards, creating value through disciplined asset management, strategic growth and strong tenant partnerships.

Medium-Term Targets¹ (3-5 years):

Strategic Positioning in the Light Industrial Sector

01

Focused on the Light Industrial Sector

Why we like it

- / Defensive asset class
- / Solid and stable fundamentals
 - Lower market rent volatility
 - Lower operating costs
 - High-value, generic-use space that is highly marketable
 - Broad and diverse tenant base
- / Lower capital expenditures, maintenance, leasehold improvement and tenant inducement costs

Resiliency of the light industrial sector

Small- and mid-bay properties continue to perform better than large bay in Canada in Q2-2026¹:

- / 3.3% vacancy rate for small-bay (0K-50K)
- / 4.3% vacancy rate for mid-bay spaces (50K-100k)
- / 5.1% overall industrial vacancy rate

¹ Information from JLL Canada's survey of industrial vacancies across Canada for all space sizes for Q2 2026.

Strategic Advantages of Our Industrial Portfolio

Property Focus

- / Light industrial sector:
 - Light manufacturing
 - Warehouse/distribution (including temp. controlled and cold storage)
- / Small- to mid-bay
- / Single- and multi-tenant
- / Strong rental upside

Clear Strategy for Growth and Value Creation

02

Our Strategy to Generate Value

Increase scale through organic and acquisitive growth

- / Build robust pipeline of accretive acquisitions
- / Leverage Crestpoint joint operation¹
- / Pursue select modest redevelopment opportunities
- / Nurture existing tenant relationships, ensuring retention and growth
- / Capitalize on asset and property management synergies

Focus on light industrial properties in robust Canadian markets

- / Small- and mid-bay sized assets (between 50,000-200,000 sq. ft.)
- / Best locations close to major transportation links, high-growth population centres and land supply constraints
- / Mix of single- and multi-tenant properties
- / Light manufacturing and distribution end use
- / Attractive Canadian primary and secondary markets with strong economic fundamentals

Optimize balance sheet and capital allocation

- / Recycle capital through sale of lower potential assets and reinvestment towards higher growth opportunities
- / Drive AFFO per Unit growth
- / Deploy capital with focus and discipline
- / Maintain consistent distributions

About this Presentation

This presentation is dated August 12, 2026 and is strictly intended to provide general information about PRO Real Estate Investment Trust ("PROREIT") and its business. This presentation does not constitute an offer to sell or the solicitation of an offer to buy any securities of PROREIT. The information in this presentation is stated as at June 30, 2026, unless otherwise indicated.

Non-IFRS Measures

PROREIT's consolidated financial statements are prepared in accordance with International Financial Reporting Standards ("IFRS"). In this presentation, as a complement to results provided in accordance with IFRS, PROREIT discloses and discusses certain non-IFRS financial measures, non-IFRS ratios and other specified financial measures (collectively, "**non-IFRS measures**"), including Same Property NOI. These non-IFRS measures are not defined by IFRS and do not have a standardized meaning under IFRS. PROREIT's method of calculating these non-IFRS measures may differ from other issuers and may not be comparable with similar measures presented by other issuers. PROREIT has presented such non-IFRS measures as management believes they are relevant measures of PROREIT's underlying operating and financial performance. For (i) information on the most directly comparable measure that is disclosed in the primary financial statements of PROREIT, as applicable, (ii) an explanation of the composition of the non-IFRS measures, (iii) a description of how PROREIT uses these measures, (iv) an explanation of how these measures provide useful information to management and investors, and (v) a reconciliation of the non-IFRS measures, as applicable, refer to the "Non-IFRS Measures" section of PROREIT's management's discussion and analysis for the six month period ended June 30, 2026, dated August 12, 2026 (the "Q2 2026 MD&A"), available on PROREIT's SEDAR+ profile at www.sedarplus.ca, which is incorporated by reference into this presentation. Non-IFRS measures should not be considered as alternatives to net income, cash flows provided by operating activities, cash and cash equivalents, total assets, total equity, or comparable metrics determined in accordance with IFRS as indicators of PROREIT's performance, liquidity, cash flow and profitability.

Forward-Looking Information

This presentation contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable securities legislation, including statements relating to certain expectations, projections, growth plans and other information related to PROREIT's business strategy and future plans. Forward-looking statements are based on a number of assumptions and are subject to a number of risks and uncertainties, many of which are beyond PROREIT's control, that could cause actual results and events to differ materially from those that are disclosed in or implied by such forward-looking statements. Forward-looking statements contained in this presentation include, without limitation, statements pertaining to the execution by PROREIT of its growth strategy and the future financial and operating performance of PROREIT. PROREIT's objectives and forward-looking statements are based on certain assumptions, including that (i) PROREIT will receive financing on favourable terms; (ii) the future level of indebtedness of PROREIT and its future growth potential will remain consistent with the REIT's current expectations; (iii) there will be no changes to tax laws adversely affecting PROREIT's financing capacity or operations; (iv) the impact of the current economic climate and the current global financial conditions on PROREIT's operations, including its financing capacity and asset value, will remain consistent with PROREIT's current expectations; (v) the performance of PROREIT's investments in Canada will proceed on a basis consistent with PROREIT's current expectations; and (vi) capital markets will provide PROREIT with readily available access to equity and/or debt. The forward-looking statements contained in this presentation are expressly qualified in their entirety by this cautionary statement. All forward-looking statements in this presentation are made as of the date of this presentation. PROREIT does not undertake to update any such forward-looking information whether as a result of new information, future events or otherwise, except as required by law. Additional information about these assumptions and risks and uncertainties is contained under "Risk Factors" in PROREIT's latest annual information form and "Risk and Uncertainties" in PROREIT's Q2 2026 MD&A, which are available under PROREIT's profile on SEDAR+ at www.sedarplus.ca.

Additional Information
